

PRESS RELEASE

FOR IMMEDIATE RELEASE

Rochester, Michigan – July 10, 2014 – Wacker & Associates, a business specializing in Voice & Data systems integration, is pleased to announce a strategic alliance with TIP Capital (Bloomfield Hills, Michigan) to provide equipment lease financing products and services.

“At Wacker & Associates, our primary goal when developing strategic partnerships is to enhance our current offerings to continually provide our clients with the best solutions in technology. We are excited to bring TIP Capital’s talents to our clients” – states Robert Wacker, President, Wacker & Associates.

About Wacker & Associates -

Wacker & Associates is a Michigan-based, nationally certified, Woman-Owned Business and a local leader in providing best-in-class IT Voice & Data solutions from Tier-One equipment manufacturers. Wacker & Associates offers advanced technical services to assist in managing technology deployments from initial design through final testing and turn-up. As a strategic technology partner, their primary objective is to provide innovative business solutions that allow their clients to achieve procurement and operational cost savings while also preparing for future technology requirements.

Wacker & Associates core competencies include; Multi-Site VoIP Telephony, Unified Communications, Enterprise-Level Contact Center, Core to Edge Network Infrastructure, Server/Desktop/Laptop, SAN & NAS Storage, WLAN, Data Center Relocation Services, Low Voltage Voice Video Data Cabling, Support Agreements & Maintenance, and Professional Services.

About TIP Capital –

TIP Capital provides equipment lease financing products and services for commercial and municipal customers throughout North America. While specializing in technology equipment, they offer lease financing for a wide variety of manufacturing, material handling and healthcare-related equipment, tailoring the lease contracts to best fit their customer’s financing objectives. TIP’s customers include direct end-user customers and customers sourced through their vendor partner programs. Vendor programs provide “turn-key” equipment leasing programs consisting of complete sale and lease servicing via an interactive, web-based program platform.

Wacker & Associates and TIP Capital have partnered together to bring their shared strengths to you. Please contact us for further details on how you and your company can benefit from this alliance.
